School Organization Team Minutes

February 17, 2021 3:05 pm.
Google Meets

2/17/2021 Minutes

3:15 pm: call to order

- **Reading and approval of the minutes from 1/20/2020 meeting**

- **Preliminary Budget:** based on 609 students. This is up from the beginning of this year, yet down from the last 2 years. 572 students, 19ECE, & 18 self-contained

General Education Fund is different the the Title 1 fund. Majority of budget goes to pay teachers

Class size reduction fund was removed when we went from 2 stars to 3; this will reduce our staff by 3 positions

- 2 teachers will retire at end of year, so this may not really effect anything other then teachers needing to move to another grade to keep their job at this school

Don't anticipate a lot of carry over due to buying items for distance learning; not sure which grade levels will be effected by this hit in budget-yet current situation has taken all carry over that was saved

Decisions on budget based on what's best for the kids and the staff, especially during these very tough times

Title 1 funding was spread out to share more money with more schools; it also went down due to number of students enrolled

- ➢ **Moving to Face to Face teaching**- time is coming for employees to make the tough decision if this is what they want to continue doing as we need face to face teachers.

New President's 100 Day agenda wants all kids in school full time within his first 100 days

Take care of yourself & your fellow staff & students. We will all get through this

CCSD defines a small group as any group that is less then the entire population - if we can bring students & staff on safely, keep safe while there, & exit safely, then we can come back

- small group has to be voluntary for the staff member & the family/student. Has to help academically and or emotionally
- If a student can't follow the rules or has any of the 12 symptoms, they will not be allowed to stay
- 1st offense, sent to office & then home. 2nd offense, sent home with warning. 3rd offense, student will be sent back to full distance learning

179 students will be returning to hybrid. So basically 90 in A & 90 in B.

- every teacher that is doing face to face is coming back voluntarily
- Parents will know which cohort by Fri, Feb 19th
- Once the cohorts are set, they won't be changed. Parents can only change their mind if there's room for their student on campus in one of the cohorts
- 29 in PreK, 46 in Kinder, 37 in 1st, 32 in 2nd, 33 in 3rd, & 3 or 4 in self-contained

Teachers in 4th & 5th should start building comfort level so they know how to work things out

- ➢ **Questions:** many questions were brought to members of the SOT by other staff or parents, which is what we are here for
- when we do hybrid will both teachers be here at the same time? Schedule for PreK will be sent out soon & a lot of this will be discussed at Friday's meeting
- Will afternoon PreK students get lunch? Yes
- After school groups will be getting snacks provided, if any teacher wants to do after school groups/tutoring
- Once on campus, can teachers/staff leave to get lunch & come back on campus? Yes, if they do pick up or drive thru. Staff can also order & have it delivered
- Staff can sit together as long as they socially distance & sanitize areas when finished
- Classrooms with students are now off limits to others that are not assigned to that room. No roaming between classes anymore. Please stay out unless invited

Next meeting is March 24th at 3:05

Call to adjourn at 4:35 pm
